

BALLS

After a 2 year study, the National Science Foundation has determined the following results on corporate America's recreational activities.

The sport of choice for unemployed or jailed people is BASKETBALL.

The sport of choice for maintenance employees is BOWLING.

The sport of choice for line workers is FOOTBALL.

The sport of choice for Supervisors is BASEBALL.

The sport of choice for Middle Management is TENNIS.

And finally, the sport of choice for Upper Management is GOLF.

CONCLUSION:

That the higher you are in the corporate structure, the smaller your balls become.
