

YESTERDAY

Yesterday, All those backups seemed a waste of pay.
Now, my database has gone away.
Oh, I believe in Yesterday.

Suddenly, There's not half the files there used to be.
And there's a milestone hanging over me.
The system crashed so suddenly.

I pushed something wrong.
What it was, I could not say.
Now, all my data's gone,
And I long for yesterday-ay-ay-ay...

Yesterday, the need for backup seemed so far away.
I knew my data was all here to stay.
Now, I believe in yesterday.....
