

TEN SIGNS YOU'VE GOT A BAD CHRISTMAS TREE

Two feet tall, forty feet wide.

Salesman's opening line: "You're not a cop, are you?"

It looks suspiciously like a broom handle with a lot of coat hangers.

While you sleep, it gets liquored up and takes the family caravan for a joy ride.

Each branch has "Duraflame" printed on it.

Keeps heckling your lame top ten list.

It's very small and says "air freshener" on it.

Rabbis have better Christmas trees than yours.

Some guy named Mujibur puts a crappy Statue of Liberty on top of it.

Constantly bragging about its "trunk size".
